# About us

Trade Asia International Pte. Ltd. is a Singapore-based company established in 2004, specializing in global chemical procurement and distribution. The company operates a global network of 12 countries as trading hubs and sources and supplies approximately 500–600 containers monthly to clients worldwide.

Trade Asia International offers supply chain management, inbound/outbound logistics, and chemical product consulting services, tailored to meet the unique needs of each client. The company is committed to environmental sustainability and encourages companies to implement sustainable raw material sourcing by distributing reusable and recyclable scraps.

# Our vision

- To build a globally trusted digital ecosystem where block chain technology empowers individuals to achieve sustainable financial growth through transparency, innovation, and community collaboration. Trade asia envisions a future where crypto opportunities are simple to understand, responsibly structured, and accessible to people from all backgrounds, enabling long-term value creation for our global community.
